

REMARKS/ARGUMENTS

The Office Action has been carefully reviewed in light of the cited references and Examiner's comments, and applicant notes the allowance of claims 18-20 and the allowability of dependent claims 5, 6, 8-11, 13, 16 and 17. In order to place this application in condition for allowance, applicant has combined allowable claim 5 with claim 1 and presented the combined claims as new claim 21, has combined allowable claim 6 with claim 1 and presented the combined claims as new claim 22, has combined allowable claim 8 with claim 1 and presented the combined claims as new claim 23, has combined allowable claim 9 with claim 1 and presented the combined claims as new claim 24, has combined allowable claim 11 with claim 1 and presented the combined claims as new claim 25, has combined allowable claim 13 with claim 12 and presented the combined claims as new claim 26 and has presented new claim 27 which includes allowable claim 11 with a somewhat revised window assembly structure of claim 1.

In view of the foregoing, applicant believes that new claims 21-27 and the claims dependent therefrom should be in condition for allowance. Accordingly, applicant respectfully requests that this application be passed to issue. Since the application now has 8 independent claims and 17 total claims, applicant is enclosing the filing fees for 5 additional independent claims.

Respectfully submitted,

JACOX, MECKSTROTH & JENKINS
